

SPILMAN THOMAS & BATTLE, PLLC

ATTORNEYS AT LAW

PENNSYLVANIA | NORTH CAROLINA | VIRGINIA | WEST VIRGINIA

HARRISBURG PENNSYLVANIA

With experience spanning three centuries and offices throughout the Mid-Atlantic Inland Basin, Spilman Thomas & Battle, PLLC offers significant capacity to assist clients in meeting the legal, political, and business challenges they face across all disciplines.

With more than 140 attorneys and professional support staff, Team Spilman serves as an extension of your management team - working to prevent problems before they occur and guiding you carefully and efficiently through the legal process.

Spilman is a full-service law firm, offering a broad general practice. Practice areas include energy, mergers and acquisitions, labor and employment, product liability, high level litigation, health care, environmental, administrative, consumer finance, estate and tax planning, and government affairs, to name just a few.

Spilman's Greater Harrisburg Area office, located in Mechanicsburg near the state capitol, was established in 2009 with a focus on serving clients in the central Pennsylvania and mid-Atlantic regions.

The office focuses on public utility, energy, and environmental matters, representing energy and public utility law clients before state public service/ utility commissions and appellate courts. Areas of strong experience include representation of large end-users of electricity, review and negotiation of energy and utility

procurement contracts, and representation of competitive suppliers of energy services, as well as telecommunications carriers.

The Greater Harrisburg Area office also assists natural gas suppliers and producers and has substantial experience in negotiating natural gas service agreements. The office similarly has experience in the areas of air, water and waste-water regulation and recently enlarged its practice in the areas of state and federal environmental compliance and litigation.

Given its strategic location near state government and at the center of the booming Marcellus Shale industry, **the office also is positioned to coordinate legislative efforts in Pennsylvania and provide support for the firm's comprehensive service to Marcellus Shale producers and related businesses.**

Pennsylvania's capital region is bustling, with a population of more than 629,000. Harrisburg was ranked #5 by Forbes.com as one of America's most livable cities and was ranked among the top ten U.S. cities in which to do business. Spilman looks forward to expanding its presence in this vibrant community.
